We go to great lengths.

Harper Macleod is Scotland's leading sports law practice, and as Official Partners & Legal Advisers to Scottish Swimming we're delighted to support them in developing the sport across the country.

Sport and competition is central to our culture. However, there's so much more to Harper Macleod than success in the sports sector.

We provide personal legal services to individuals and their families nationwide. From making a Will to winding up an estate, from family law to personal injury, we'll make every effort to get the result you need.

We also offer a full range of commercial legal services to businesses and organisations throughout Scotland.

On behalf of the Scottish Amateur Swimming Association (SASA) and Scottish Swimming, it is a pleasure to welcome you to the 2025 Scottish National Short Course Championships. Returning once again to the Royal Commonwealth Pool in Edinburgh feels like coming home. This pool has witnessed countless moments of excellence, and it continues to offer a stage worthy of the performances we know this championship inspires.

These events are only possible because of the people who give their time and energy so generously. To the volunteers from our clubs, the organising committee, and the technical officials, thank you for the skill and commitment you bring to every championship. We are equally grateful to the staff of Scottish Swimming and the Royal Commonwealth Pool for their continued support, professionalism, and steady hands behind the scenes.

To the swimmers, your preparation—hours of training, discipline, and belief—has brought you to this point. Whether you're here for a single race or a packed programme, whether you're experiencing your first national championships or adding another to a long list, we hope these moments reward your effort. As someone who has stood on the blocks and now stands on deck, I know how special Short Course season can be. Watching athletes rise to the occasion each year remains one of the great joys of our sport.

To the spectators, thank you for bringing the energy that lifts every session. As you enjoy the racing, I encourage you to continue championing the importance of our aquatic facilities. The #SaveYourPools campaign remains a vital reminder that pools are not simply venues; they are community lifelines, places where skills are learned, friendships are formed, and potential is nurtured. Keeping this conversation alive matters.

Thank you for joining us and for contributing to the atmosphere that makes this championship so memorable. Have a fantastic weekend, and may it be filled with performances that inspire athletes, coaches, and supporters alike.

Support Available for Clubs across Scotland

Clubs remain Scottish Swimming's core membership group, supporting a quality experience for interested athletes wishing to progress in their sports. We believe that strong clubs can offer local communities a vibrant focus for volunteer and athlete development, essential for creating lifelong participants and local and national heroes.

Scottish Swimming wants to support clubs to sustainably grow the active membership of their club, consequently increasing the opportunities they offer and the number of people taking part in club swimming or other aquatic sports. In addition, we want to support clubs to create an environment where the required coaching, practice time and attitudes are fostered and displayed to support the progression of athletes aspiring to world class performance.

The support currently available from Scottish Swimming is designed to help with this through the following resources.

Scottish Swimming support/resources available for clubs:

- Regional Swimming Development Manager direct support to clubs
- Governance & Planning Workshops
- Volunteer Management for Clubs workshops
- Young Volunteer Programme
- Culture Workshops
- Club Framework
- Club accreditation scheme (AquaMark 1, AquaMark 2 and AquaMark 3)
- Club of the Year Award
- Wellbeing & Protection Support, Advice & Training
- Support with Investment streams e.g. Awards for All
- Online Licensing for Coaches & Teachers
- National and Regional Coach & Teacher Education Programmes
- Bursary support for Scottish Swimming courses
- Local Aquatic Forums
- Performance Pathway & Plan
- National & Regional Partnerships with Scottish Disability Sport
- Coach Mentoring via National Programmes
- Governance Support & Advice
- Club Workshops via SS Connect

Scottish Swimming's Young Volunteer Programme (YVP) is a national strategy designed to engage and develop our young members between the ages of 14-25.

There are 5 programmes within the YVP and each programme will provide skills, knowledge and support to prepare and deploy young members to help build on Scottish Swimming's incredible volunteer base across all sports and areas of work.

Club Poolside Helper

If you are age 14 upwards you are able to go on a poolside helper course and take back all that you have learned to your club.

The Club Poolside Helper is designed to develop coaches and helpers within a club environment. Becoming a Club Poolside Helper is a great way to stay in the sport and support young members within your club to reach their full potential by assisting at club training sessions.

Young Leader Squad

If you are aged 14-17 years old you are able to apply for the Young Leader Squad and take a lead in supporting members of your club.

The Young Leader Squad is designed to develop Club Captains and improve retention rates. Our Young Leader Squad involves a weekend residential course where you will meet other like-minded young people with a passion for their club and pass on this enthusiasm to younger club members. It's a fun weekend with lots of positive content around becoming a great Young Leader.

Young Technical Official

If you are aged 15-25 years old and have your timekeepers certificate then you are able to apply for the Young Technical Official Programme

The Young Technical Official programme is designed to recruit more technical officials. Becoming a Young Technical Official is a great way for our young members to stay in the sport and there is a whole pathway open to you including Timekeeper, Recorder, Judge 1, Judge 2, Judge 2S and Referee.

Young Events Team

If you are aged 14-25 you are able to apply for the Young Events Team programme.

The Young Events Team programme is designed to support our events. Our Young Event Team programme enables young members in affiliated clubs to join the Events team in planning, creating and delivering successful events. Young Event Team participants will be encouraged and supported to initially attend and help at various events at Club and Regional level across different aquatic sports within their District. The range of events and variety of opportunities alongside attendance at planning meetings will give you a unique opportunity to learn from our experienced events staff and inspire you to find your role in helping plan and deliver these events in the future.

Young Ambassador Programme

If you are aged 16-25 years old you can apply to be a Young Ambassador. The Young Ambassador programme is designed to create a national voice for the youth members in Scottish Swimming.

At Scottish Swimming we believe all of our young members should have a voice within our organisation to help shape what we do in the future. You can get involved and have an impact on Scottish Swimming by joining the Young Ambassador Programme, becoming an Advocate and Ambassador for our sport.

You will attend a weekend residential where you will work with a team of young people from across aquatics in Scotland. As a team, you will help formulate young people priorities and come up with suggestions to present to the top people in Scottish Swimming and the Districts. As a group you will work together to promote your message and influence positive change for young people in your sport.

For more information on our Young Volunteer Programme please visit our website or contact ssa-yvp@scottishswimming.com
